

Superheroes in Training!

Please join Mrs. Debbie Blades and Mrs. Prengler as we explore some of our favorite superheroes.

July 6-10

9am until 12pm

Your little super hero will enjoy a week of fun activities, such as skills training, designing their own unique cape, and creating a poster to feature their "super power" all to prepare them for saving the day!

Please note all heroes should be potty trained.

Snacks and drinks will be provided daily
